```
What test file would you like to run?
Running simulation for: aaabb
Running Machine: aa plus bb
Input String   : aaabb

--- Simulation Started ---

Depth 0 - 1 configurations being explored

Depth 1 - 2 configurations being explored

Depth 2 - 3 configurations being explored

Depth 3 - 4 configurations being explored

Depth 4 - 4 configurations being explored

Depth 5 - 5 configurations being explored

Depth 6 - 3 configurations being explored

*** String Accepted ***

--- Simulation Summary ---
Solution Depth           : 6
Configurations Explored   : 20
Accepted Configurations   : 1
Rejected Configurations   : 0
Level of Nondeterminism   : 4.20
```
